We would like to thank Haverford College for their generous support for the production of JSYS during the 2010-2012 academic years. Resources for the donation were provided by the Chen Family Fund for East Asian Studies, established by Francis Chen '42 in memory of his sister Dr. Agnes Fangzhi Chen, Ph.D. in Political Science from Bryn Mawr College (1939), a specialist in China's northeastern borderlands, and Professor of History and Political Science at Beijing University.
